2018 Budget Planning In Term 4 each year, our Finance and Facilities subcommittee is charged with the major undertaking of preparing an 'Operational Budget' for the upcoming year. This involves documenting all sources of revenue & expenditure and making complex decisions about the extent to which each area/program of the school is funded. The Operational Budget is finely tuned in line with the number of students at each level and aims to expend all funds in a given year to support the needs of those students.

When all 2018 Parent Payments have been finalised by School Council, I will provide some further notice through the newsletter to ensure all parents have sufficient information about these charges, prior to receiving this information.

SCHOLASTIC  Book Fairs

You're invited to our Scholastic BOOK FAIR!

Choose from a **huge selection**
of age-appropriate books.

What's the most important skill we can teach our children?

We believe it's **reading.**

When children read, they learn to think critically and creatively. Their vocabulary expands, allowing them to communicate effectively. Even their writing improves. Through reading, children gain a greater knowledge of the world they live in. They build confidence, become more resourceful, and learn to empathise. Reading truly is the gateway skill.

Date 17/11/17 - 23/11/17

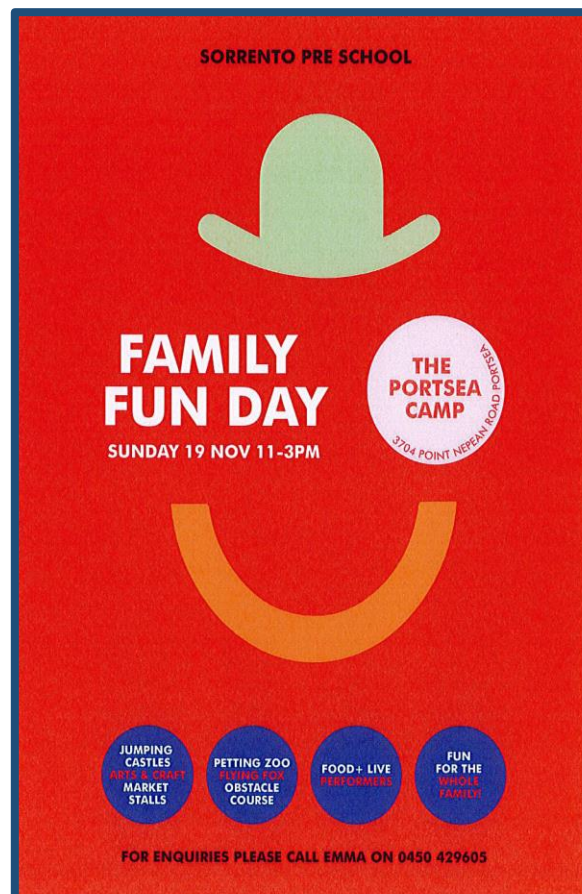

Time 8.45-9am 3.30-4pm

Place LIBRARY.

Every purchase earns free books and resources
for our library—thank you for your support!
