100 days of school

Next Wednesday the 31st of July, the students will have been at school for 100 days! To celebrate this achievement, Foundation year 1 & year 2 classes will be engaging in various activities together. We would love it if the students would dress up pretending they were 100 years of age!

2019 Parent Opinion Survey –

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement.

Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from **Monday 22nd July** to **Sunday 11th August**.

The survey will be conducted **online**, only takes **10-15 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (hakha), Hindi, Japanese, Greek, Turkish, Somali and Punjabi.

The survey results will be reported back to the school at the end of September. Last year we used the survey results to plan Please speak to your child's teacher if you would like more information.

The Anxious Kids Seminar is coming to the Mornington Peninsula

Society is in the grip of an anxiety epidemic. One in fourteen kids are diagnosed with an anxiety disorder, and many more go unnoticed. Parents and teachers play a critical role in helping kids to recognise and manage their anxious feelings.

Parenting expert, award-winning speaker and author of 11 books Michael Grose, together with wellbeing expert and researcher Dr. Jodi Richardson will be touring across Australia and New Zealand to present their evidence-based approach to managing kids' anxiety. Here they will speak about the tools and strategies for helping children outlined in their recently released and highly acclaimed book *Anxious Kids*.

Who is this seminar for?

This seminar is ideal for parents, carers, teachers and other professionals who work with children.

You can learn:

- The origins of anxiety and how it impacts on children and teens
- How to respond constructively when a child or teen is anxious
- Tools to teach kids to help regulate their anxiety
- The lifestyle factors you can enhance to minimise anxiety
- Why avoidance of anxiety-inducing events is not the answer and what to do instead
- How to create a wellbeing plan for your child or young person

Anxious Kids Seminar Tour

Date

**Thursday
1 August 2019**

Whats happening in Years 1 & 2

Social Justice Celebrating Differences

Levels 1 & 2

Your students will be immersed in the food, games, music and traditions of different cultures. They will explore the meaning of traditions as they build objects and experience cultural traditions. At the end of each week, your students will reflect on their family's culture in preparation for sharing with other students at the end of the unit.

Rationale

We are more likely to be fair when we understand and value the similarities and differences between cultures and generations.

Essential questions

What are some differences and similarities between different cultures?

What are some differences and similarities between generations?

Why it is important to celebrate our differences?

How can we treat all people fairly and with respect?

Glossary

Australia, culture, bad, dance, different, celebration, Dreamtime, drum, collage, fair, country, food, game, mask, music, good, pasta, kind, respect, language, lantern, same, listen, together

Rich assessment task

Throughout the unit, your students will participate in a discussion with their parents about an aspect of their family's culture. At the end of each week, they will draw a picture representing an aspect of their culture. At the end of the unit, they will share their culture with other students in the class.

Future action

Your students will develop an appreciation of multicultural Australia, embracing different foods, games, music, and traditions from different cultures. They will show respect for those who sound, look and act differently to themselves. Your students will use an understanding of how daily life has changed and use this knowledge to participate in discussions with their family members. They will understand that although we are all different, we all hold similar values, and we all have the right to be treated fairly.

PARENT CHILD MOTHER GOOSE PROGRAM JIVE, JIGGLE AND JUMP PROGRAM

Details:

When:

Wednesday mornings
Please call for times

Where:

10 Carmichael Street
Tootgarook
