2016 PARENT OPINION SURVEY

Forty surveys were distributed to students on Monday as part of this year's Parent Opinion Survey. This is a very important source of feedback for all Victorian Government Schools. We would be very grateful if these surveys could be returned to the main office as soon as possible; with the final date for returns being next

If you are one of the families that have been randomly selected to complete this survey, we thank you in advance for your valuable time to complete the survey and for your considered feedback.

2017 PREP ENROLMENTS – FINAL CALL

We are now in the midst of planning our Prep Transition program and liaising with Kindergartens and Early Childhood Centres, as further planning unfolds for our 2017 prep cohort. At this stage we have approximately 18 students enrolled, which will definitely see at least one prep class for next year. If you know of any families in our zone who are yet to enrol their eligible prep child for 2017, could you please let them know that

this needs to be done as soon as possible. Children need to be enrolled by the end of this term to be included in the "Leap Into Learning" program which begins Week One of Term Four.

How the birds got their colours

This is the story of how the birds got their colours. Long, long ago in the Dreamtime, when the land and animals were being made all the birds were black, all one colour. Until...

They flew near a tree with berries that were rainbow berries. They were smooshed up. KBOOM! SPLASH! Magically one black bird turned colourful. All the other birds felt sad because they wanted to be colourful too. "Can we be colourful too?" "Yes, follow me. This tree with the rainbow berries

smooshed up will help". "Hit the tree and you'll fall down in to the smooshed berries and become colourful! A colourful happy ever after.
