ITime

This term in Year 3 and 4 we have introduced ITime. A unit in which the students have been given the opportunity to learn about something they are interested in. Eleven of the students choose to learn cooking skills.

In our first week the students learnt different knife skills to obtain their knife licence. The second week we made vegetable spring rolls. Once they were cooked, we shared them with the whole cohort. They were delicious, the children all ate vegetables!

Clair Hill

In cooking we got a knife licence. We learnt the bridge, claw and flat man.

Then we got to make food.

We got the ingredients, cooked and GOBBLED IT!!! It was really fun in cooking I'll really miss it.
