LUNCH FOR EVERYONE

Our new program "Lunch for Everyone"  commenced this week and was a great success!!!

Thank you to our volunteers. Cherie Przycodzki, Liz Taralaikov, Lauren Newman, Cazz Symons, Eileen Hopcroft along with their little helpers Zoey Walker & Bailey Newman.

Cherie would like to acknowledge the students who also helped out: Chloe Pearce, Ben Walker, Hailey May, Bailei Romeril, Holly Newman & Harry Taralaikov Drewett.

A big thank you also goes out to the Sambrook family for their donation of gloves, foil and other kitchen items.

Next week will be Lasagne. Notices have gone home to all students. These will be due back by 9.30am on Monday the 29th of August.

SUNSMART POLICY

After a long cold winter, I'm sure everyone is looking forward to some warmer weather just around the corner! With the warmer weather will come the increased exposure to UV radiation during recesses and lunchtimes. As per our Sunsmart policy, students will be expected to begin wearing hats when outside from the start of term 4. Over the next week, could you please take a moment to check that your child has a suitable sunsmart hat labelled with their name (always a good tip to have a spare hat as well). Please note that broad-brimmed and legionnaire hats are the only hats deemed suitable; baseball caps are not compliant with our Sunsmart policy.

Exploring the Italian Culture

Ciao, this week the Year Ones have flown to Italy to learn and discover the Italian Culture. We began by reading some information about Italy followed by a design your own pizza activity. In the afternoon we had Bella- Mia Magnano and her dad, Robert come and give the students an Italian Language experience. Thank you to the Magnano Family for this! The students loved counting to 10 with you. Our last Italian activity was making Margherita pizza and learning about the history, procedural writing, fractions, and many aspects of science. It has definitely been another busy week of learning.
