### Tootgarook's Vision & Mission Statement

#### Vision

**Achieving personal excellence, empowering students in a supportive community.**

#### Mission

**At Tootgarook we develop personal excellence in education by providing innovative learning experiences for individuals to strive to achieve their potential in a connected, inclusive community.**

The School concert took place last Friday and was based on the theme 'Musical Genre'. We were treated to a fantastic array of performances ranging from the choir singing 'This Is Me', based on the Victorian State School Spectacular to 'Shake a Tail Feather' by our Foundation students.

#### Comments after the show were as follows-

*The students absolutely loved the staff presentation! They were enthralled and had a lot of fun! Thanks so much for your performance.*

*Our staff and parents felt it rated as one of the best concerts they had ever had the pleasure to attend.*

*One of the most engaging performances we've seen in years...a fresh and electric show!*

*Both students and staff performances were fabulous, and enjoyed by all ages.*

*As a Principal I was so happy to see all of the students taking part, singing along and enjoying every moment of the performances.*

An exceptional evening. A massive thanks to the commitment of the pupils and dedicated music staff.

Thank you to Christine Young and her family for facilitating the evening of performances to an incredible level in 2019. To the MCs, Hazel Read and Luca White, thanks for cultivating your

personalities within the scripts you prepared for the evening of entertainment. I would also like to acknowledge parents, staff and community members for their assistance in making the concert a truly memorable one this year.
