# Energy Breakthrough Challenge 2019

In H.P.Vs we have trained for the past few months to become the fittest we can be for Maryborough. To become our best, all of the students who participated put in a lot of effort and trained for 30 minutes on the exercise bikes each day. On Fridays we went to Casey Fields to do a few laps to show our improvement. We often did races between people of the same level. The students also practised lines of a script called "Get Smart" which is for a presentation at Maryborough. We all rehearsed our lines together as two teams so we knew them off by heart. It was a great experience to train for H.P.Vs and get fit and be in the best physical and mental state I can be. Thank you to Mr King and Mr Kitchin for organising this event and Graham for all his hard work getting the H.P.Vs ready.

*If anyone has a birdbath at home that they are not using, the Preps would love to have one in their courtyard to help look after wildlife on hot days.*

*Thank you*
