WALK TO SCHOOL started last Friday the 12th. We had a great turnout, thanks to Miss Boyd and the parents and students who have participated. We will continue on Monday and Fridays, the last one will be Friday the 2nd November. We meet at Trueman's road Park @ 8.20am.

In **Grade 3/4M** we have been learning about what Bullying is, Individuality and Similarities.

Bullying is a very awful thing to do and you should never do it. Bullying means someone constantly comes back to you every single day and does something you don't like. At Tootgarook Primary School we are taught to respect each other, be honest and celebrate people's achievement.

Also in 3/4M we have been learning about what individuality is. Individuality is what makes us all different. For example, someone might enjoy playing football and someone else might enjoy playing cricket. It doesn't matter if you like

different things or act in different ways, everyone should still accept other people the way they are. Lastly, what does similarities mean? It means something is similar e.g. I like bananas and you like bananas.

That is what we have been learning in 3/4M.
