2017 PREP PARENT INFORMATION AFTERNOON

We are looking forward to our **Prep Parent Information Afternoon tomorrow Friday 11th November from 2:15pm in the Library**. Speakers will provide an engaging presentation on how parents can establish a seamless transition to school for new prep students. All families will receive an information pack, with all of the important dates and information needed for 2017. There will also be a chance for parents to ask any questions about their child's transition to

school. A letter will go home in late December notifying parents of their child's grade, teacher and a starting time for the first day.

We hope all of our new and existing families with 2017 prep students will be able to attend this presentation.

+++++

Our School Captains, Miah Taylor and Bailey German together with Mr Whitworth will be representing our school at the Remembrance Ceremony at Rye RSL @ 11am tomorrow Friday 11th November – the Captains will lay a wreath on the Memorial on behalf of the school.

The school has 'Remembrance Day' badges at the office - a gold coin donation is required.

#####

2017 Enrolments

We are in the final recruitment stages to ensure all of our teachers are confirmed for 2017. Next week, all teachers at each year level will begin the huge task of forming the new classes for next year. This will take several weeks to ensure the demographic of each class is as finely balanced as possible.

At this stage, we have only received notification from parents that a handful of students will be leaving us in 2017. This information is very important to help inform our planning. If you are aware that your circumstances have changed and you will be leaving the school at the end of this year, we would be really grateful if you could forward these details to the office.

RACV Challenge- at Maryborough

Wednesday 17th - Sunday 20th Nov

Staff attending will be Mr Whitworth, Miss Quintin, Miss McGhee and Miss Daley together with a number of our grade 5/6's and their parents – we wish them well in their challenge. There will be an **Information Meeting for all HPV and Pushcart parents on Monday 14th November at 3:45pm in the Community Building.** As this will be the last meeting before Maryborough, your attendance is vital to clarify information and answer any question you may have.

Students will be presented with their certificates at assembly on Thursday 17th November @ 2:45pm

The Junior School Councillors have decided that there was a need to develop a cyber safety awareness to be sent out and discussed in our school community.

1. Create an Acceptable Use Agreement for your families, ensure that your children are involved with this process.
2. Set up safe search and security controls
3. Insist on all computers, laptops and mobile devices remaining outside of the bedroom
4. Lights out means then the Wi-Fi may be turned off.
5. Recharge mobile phones and devices outside bedrooms at night.
6. Get involved online and show an interest in what your child is doing
7. Talk to your child's teacher/s and school to see what programs they recommend.
8. Dont threaten to take away your child s devices as it may force them to become secretive.
9. Learn how various social network services work.
10. Tell children not to respond to any cyberbullying threats or comments online.
However, do not delete any of the messages – keep records to verify and prove there is cyberbullying.

P-2 SWIMMING

Swimming begins on Monday 14th Nov. Every child has been given a swimming timetable this week indicating the start and finishing time for their group lesson.

Some reminders:

- The children are able to wear bathers under their school uniform but need to bring a towel and underwear in a named bag. Girls wearing a one piece suit can change at school before leaving for the pool. All clothing should be named, including goggles and towels.
- As some sessions are being held during lunchtime, the children will not eat lunch at the regular time, so please do not order lunches on swimming days.
