End of Term Arrangements

As term three quickly draws to a close, I would like to take this opportunity to once again thank all members of our school community for another fantastic term at Tootgarook. **Please note that Term 3 concludes on Friday 22nd September with students being dismissed at 2:30pm. There will be no assembly on the Friday – Students of the Term will receive their certificates on Thursday 21st September at our usual assembly.**

Term 4 will resume on **Monday 9th October**. This term promises to be very busy with lots of exciting events taking place: The Zoo excursion for Prep – Gr 2 students, Gr 3/4 Briars Camp, Prep – Gr 2 swimming, Grade 2 Sleepover and excursion, Book Fair, Life Ed Van, District Rugby, RACV Challenge in Maryborough, Leaping Into Learning for children starting in Prep in 2018 and finally Graduation for our Grade 6 students moving on to Secondary College.

Our Pre-Prep Program “Leaping Into Learning” will begin the 3rd week of Term 4 each Thursday morning from 9.15-11am for four weeks. The final session on November 16th will conclude with the Parent Information Session from 11-11.30am. Letters will be sent home next week to all enrolled children.

Good Luck
Everyone
And enjoy
the
experience

**Students will be presented with their certificates at assembly on
Thursday 21st September @ 2.45pm**

A BIG THANKYOU to Karol Hawley, Janine Wallace, Maura Harbour, Sam Brasier and Joel Clifford for coming into the 5/6 area and listening to the students read – the students and teachers have loved having you and really appreciate you giving up your time.

We are eSmart

Our school is proud to announce we are now officially an eSmart school.

Since we first registered with the program, we have introduced many new policies and activities to improve the way our school manages cybersafety, bullying and cyberbullying.

We feel confident our students, staff and the wider school community are now well supported to be smart, safe and responsible users of digital technology.

We encourage everyone in the school community to continue to uphold and promote eSmart behaviours, at school and at home. If you are aware of any incidents of bullying, cyberbullying or risky online behaviour, please contact the Principal or our eSmart coordinator.

Everyone has been busy in the Garden over the past few weeks- and now every grade has a patch of their own. We have been weeding and clearing the garden beds as well as carrying mushroom soil into the garden to fill the beds. Special thank you to Ruth Underwood for your support in the garden and well done to students for all the work they have done in the garden - it is looking fantastic! Prep students were planting last week with the help of Carmela from Sorrento Trattoria ,who has donated seedlings to their patch. Thank you Carmela we look forward to having your help and expertise in our garden and kitchen next term.

A huge thank you to all the family, friends and community members who partook in our Gardening Bee on Saturday it was a fantastic turnout and day. A very special thanks to Ruth Underwood for all her work preparing the beds in time for the Bee, the time she has spent getting the project happening and for her soil donation. Also Chris Underwood, Bill Leahy and Kate Renehan for their awesome efforts leading up to and on the day - and everyone else who took time out of the weekend to improve our school garden.

The kids and the bees have been loving it already-and we are all looking forward to watching our garden grow even more next Term.

Thank you Catherine Hone

Next Week is the last week for Collecting stickers please send them to school by Thursday 21st September. So far we have collected 21,600 stickers. Thankyou to Kelly Driver for the endless hours she has spend sticking them on the sheets.

Did You Know?

That butterflies can taste with their feet! They can taste by just standing on their food, because they have special sensors on their feet that allows them to do so. When laying their eggs, they stand on the leaf and see whether it is a leaf their baby caterpillars will eat. Imagine if we could taste with our feet? Yuck!!!

Worm juice!!!

Be sure to pick up some worm juice from the year 4's! They have been putting all their food scraps in to the compost, because this is a sustainable way to eliminate food waste. Despite the gross name, worm juice is full of extra nutrients as well as great way to keep your garden healthy. In the gardening world it is also known as liquid gold because it's an amazing fertilizer and a natural insect repellent. Go see the year 4's for 1 litre of spectacular worm juice for just \$1.

Environmental Newsletter

Upcoming Environmental Events....

16th of September: International Day of Preservation of the Ozone Layer.

22nd of September: World Car free day.

World car free day!

On the 22nd remember to be as car free as possible! Car free day is to spread awareness about cars impact on our climate, as 12% of greenhouse gas emissions in Australia are caused by cars. So, on the 22nd walk, ride or skate to school, for a healthier planet!

Wildlife Emergencies...

It's terrible when we find an animal hurt, but it's important to know what to do if it happens. Remember wild animals can scratch or bite if frightened so if you are in doubt call a vet. Never lift an animal unless you are sure you won't injure the animal further or hurt yourself. If you are in a dangerous location such as a road or surf beach be sure to keep look out for any dangers and if you're unable to help, then call a wildlife helpline. Wearing gloves, place the injured animal in a well ventilated cardboard box, lined with paper towel or newspaper, and get it to the nearest vet as soon as possible. If you are unable to move the animal call Wildlife Victoria straight away. Wildlife Victoria will answer any questions you may have, so in a wildlife emergency call 1300094535 (Wildlife Victoria). Or go to their website <https://www.wildlifevictoria.org.au/vision-and-mission> . Good Luck!
