PLANNING WEEK

Next week we will be operating on a modified timetable as part of planning week. Instead of students participating in their specialist programs throughout the course of the week, these classes will be timetabled to occur on one day, thereby allowing all of the teachers at each level to be released. When teachers are released for the day during planning week, they will spend the entire day working collaboratively to plan an overview of the curriculum program for next term.

This approach to our term by term curriculum planning, helps to ensure a heightened degree of consistency in our program delivery across all levels of the school. Planning day for Music, Art and P.E teachers is on

Monday 19th June , Year 3-6 teachers is on Tuesday 20th June and Prep-2 is on Wednesday 21st June.

Wednesday June 28th is set aside for our mid-year parent/teacher/student discussion afternoon. This forum is an opportunity for you to meet with your child's teacher and discuss your child's half yearly report and any other matters that you believe may impact upon your child's education. An interview notice will be sent home today- please return to school asap so times can be allotted.

Half yearly reports will be sent home on Tuesday 27th June.

Tootgarook Community Market will be held on Saturday 24th June with 5/6H rostered on – if you are able to assist on that day please contact the school office.
