## Staff Training Days

As students are not to attend school on these days, we aim to provide families with plenty of advance notice so that alternative care arrangements can be made on these days. ***The remaining two staff training days for this year will be held on; Friday 7<sup>th</sup> June and Monday 4<sup>th</sup> November.***

## Grade 5/6 Urban Camp

Is fast approaching with medicals and itineraries being sent home to students this week – please return all required paperwork to school asap and finalize payments as required – we look forward to reports from students on places they've visited.

### PARENTS ASSISTING ON SCHOOL CAMPS

Thank you to the many parents who had recently expressed interest in attending the Years 5 & 6 Urban Camp. We are always so very grateful for the overwhelming offers of support for our major schools events.

In selecting the parents to attend, please be assured that this is given considerable consideration by teachers in consultation with the school's leadership team.

Preference will be given to parents who may not have had the opportunity to attend previous camps, in order to ensure that this opportunity is one that is shared amongst all parents in our school community.

Camps are organised on a student/adult ratio of one adult to every ten students. For the remaining camps this year we look forward to parents assisting the educational experience for all students.
