By Dakota Osborne (JSC) & Vanessa Pettiford 5/6K

Student of the Week

Students will be presented with certificates at next Thursday afternoon's assembly.

Prep P – Mrs Perkin – –

Prep S – Mrs Read – -

1A – Miss Arnold – Jeremy Whitten - *For thinking about his thinking this week during English groups. Jeremy used his knowledge to help understand the concept of antonyms and was able to give various examples.*

1P – Miss Perkins – Shaeli Price - *For remaining open to learning new things throughout our week. Shaeli finds humour all the time and is a friendly class member.*

2MB– Miss Boyd – Swae Quarrell – *Welcome back Swae, you have come back to school with such a positive attitude. Your presentation about your holiday was amazing and you really illustrated that you can listen with understanding & empathy.*

3H – Mrs Houston – -

3WB – Ms Walton & Mrs Bos – Tom Holbery – *Congratulations on your effort to complete your Diamante Poem. You worked hard all lesson to finish it.*

4H - Ms Hone – Alex De Frenza – *Striving for Accuracy and Precision! Alex you have been a star in LLI this week and also been calculating change in Maths. Well done, keep up the fantastic work!*

4P – Miss Pittard- Tarni Blewett - *For always focusing and persisting with your learning tasks. You think creatively when you encounter a challenge and don't give up until you have achieved your goal. Congratulations Tarni, keep up your wonderful effort!*

5/6G – Mrs Gibson – Cooper Blewett- *For having a great start to term 4 and being a positive role model in class. Well done Cooper!*

5/6 K – Mr Kitchin - Tahlia Heylbutt – *For always thinking flexibly! You are such a positive and enthusiastic member of 5/6K, keep up the great work. Well done Tahlia.*

5/6M – Miss McGhee- Niall Harbour - *For always remaining open to continuous learning and being so keen to share your personal experiences and opinions with our grade. Well done Niall.*

Art / Craft – Miss Davey – 5/6K –Whole Class- *What a fantastic week in Art! It was great to see you all cooperate and collaborate as a class. I was very impressed by all of your great ideas and application to learning! Well done.*

Music - Mrs Young – Ben Carroll– 5/6K– *For volunteering yourself for special roles in the Grade 6 act for the concert. Your contributions are greatly valued and your confidence and attitude are highly commendable. Well done!*

P.E. – Mrs Burns – *Well done Summer Cahill. You always have a positive attitude and listen to instructions carefully during in our PE sessions. Congratulations.*

Want your child to play cricket for FREE??

Tootgarook Cricket Club wants to speak to all boys and girls aged 7 to 11 yrs old. If you love playing cricket at school or in the backyard, then come down and be a part of the real thing with Tootgarook looking to field teams for our under 10s and under 12s..

Training is held at Truemans Rd on Thursday afternoons from 4-5pm starting this, Thursday 19th October, with under 10s playing Friday at 5pm. Under 12s play Saturday mornings (first game is this Saturday, 21st October, at 8:30am).

So how much does it cost for your kids to play at our great club..... absolutely nothing..... FREE..... that's correct, not a cent.

The committee has agreed that our juniors are always priority and we as a club must look after the future of our club. So **ALL COSTS will be covered by Tootgarook**. Not only that we have recently bought brand new cricket kits with pads, gloves, helmets and bats all provided. So all we ask of your kids is to have a pair of sneakers and cricket whites Toot Cricket Club will cover the rest.

Our milo program will also be running at Tootgarook for all 5 to 7 yr olds. Registrations are taken online for Milo.

We also have an all-girls team which is played on Tuesday evening's at 5:30pm. This is for girls aged 10-17 years old. Training will be held Wednesday nights 4:45-5:45. This proved to be a great team for the girls last year and they all had a blast.

For further details please contact...

Corey de Bruyn - Junior co-ordinator - 0413891288

Steve Harnett - Girls coach - 0468 967 975

Adam Taylor - under 10's coach - 0438 333 311

United Nations Convention on
a child's right to be healthy

Article 24 You have the Right to be Healthy.

I like to be active, it's good for my body,
to run, to jump, to climb, to explore.

Creating is healthy for my mind,
discovering and playing all day.

I choose to eat a rainbow of foods to
grow me up strong, to give me energy,
to keep me healthy.

Crunchy green, raw orange, juicy red,
ripe yellow, sweet purple.

I choose water from the tap,
for sparkling eyes, clear skin and clean hands.

I am learning that I am what I eat,
I choose to be full of natural goodness.

Nurtured in the warmth of the Great Outdoors.
Healthy choices are good choices.
The choices I make today will shape

*the person I will
become tomorrow.*

Environmental Newsletter.

Upcoming Environmental Events...

5th of November: World Tsunami Awareness Day.

12th to the 19th of November: Pollinator Week.

23rd to the 26th of November: RACV Energy Breakthrough Challenge.

RACV Energy Breakthrough Challenge.

On the 23rd of November some students from year 5 and 6 (including me) are heading up to Maryborough for the Energy Breakthrough Challenge!!! This is exciting as we are participating in the H.P.V or Human Powered Vehicle races. The event is to educate children about using alternative energy sources such as solar, or human power to reduce their Carbon Footprint, as well as improving our fitness. The races will include the obstacle and the 8-hour race. Thank you to all the local businesses that sponsored our teams! All the teams have been training hard, riding at Casey Fields and training on the bikes in the Multipurpose room. Best of luck teams!

Above is a picture of a H.P.V, inside is a like a bike which you lay down in. They have three wheels and 10 gears. And they are a lot of fun to ride!

Beelieve it or Not.

One bee has to collect nectar from 2 million flowers just to make 1 pound of honey!

That's a lot of flowers. Bees are so important because without bees we would become extinct, all our fruit and vegetable crops would die off. One hive can have up to 60,000 bees, each bee having a different role in the hive, and they communicate through dance. How amazing!

The gorgeous honey bee, collecting pollen.

Warm weather.

The weather is getting warmer which means fun in the sun! There is still some things we have to remember. Only use the air conditioner when you need it as well as remembering to turn it off when you leave. Also our pets! Make sure they have water when you're out and when you're walking your dog be careful not to burn their paws on the hot pavement. Never leave your dog in the car as they can overheat. The beaches will become busy so remember to follow all the dog walking laws. Have fun!

Worm Juice.

Be sure to pick up some worm juice from the year fours! Worm Juice is a great fertiliser, as well as natural insect repellent! 1 litre of worm juice is just \$1.

Issue #7 Mia Goldberg
