ENROLMENTS ARE DUE BY 30th JUNE.

This week in Social and Emotional Learning the Grade 3s and 4s have reflected on their personal strengths using their list of Social Skills.

My personal strengths are asking probing questions and explaining answers. Asking probing questions is exactly what it sounds like. It means you ask questions that are interesting or informative. I do that a lot, for example in English I usually have a lot to say, and that's when I get the chance to ask probing questions. Explaining answers is similar to asking probing questions. It means that the teacher usually says something like "oh Angela, do you know what an informative piece is?" and I would explain the answer by saying "an informative piece means a piece of writing that informs you about a factual piece of information." (Angela from 3/4M)

MY PERSONAL STRENGTHS ARE USE TIME WISELY AND TAKE IT IN TURNS. WHEN I TOOK IT IN TURNS AT CAMP I LET LILAN HAVE THE JUICE FIRST AND WHEN I USED TIME WISELY AT THE PLAZA I QUICKLY WENT TO THE TOILET AND WENT SHOPPING AND HAD LUNCH IN HALF AN HOUR. LIKE HOW FAST WAS THAT! (LILY FROM 3/4M)

Congratulations to our Junior School Council representatives who were nominated and voted for by their peers: Badges will be given out at Assembly on Thursday 7th June due to Mr Whitworth and the 5/6 children being at School Camp in Ballarat.

Heart Foundation Jump Rope for Heart

This year our school is participating in Jump Rope for Heart – a fantastic physical activity and fundraising program by the Heart Foundation that has been running for 35 years.

Since Jump Rope for Heart started in 1983, schools like yours have raised more than \$75 million for the Heart Foundation's lifesaving work.

Jump Rope for Heart is a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

It's important you register your child online, so they can receive the full benefits of the program and participate in online fundraising.

Sign your child up for online fundraising by visiting www.jumprope.org.au

Thank you for supporting the Jump Rope for Heart program!

Yours sincerely,

Nat Burns

Happy Heart's Online Fundraising Tips

Inspire your friends and family to support your Jump Rope for Heart activity and help raise funds to fight heart disease.

1. Update your page

Upload photos and comments to your page so when any friends or family visit they can see how much fun you're having!
Tip: fundraisers who upload a profile picture raise over 10 times more on average than fundraisers who don't.

2. Set a target

Tell your supporters what your goal is by setting a fundraising target and you'll be motivated watching your tally rise.

3. Get the first donation

Ask a family member to make the first donation and set the standard of how much others could give.

4. Let people know

Send personal emails to your friends and family to let them know you're raising money to fight heart disease and share photos and videos of you skipping to keep them excited!
Tip: fundraisers who tell people why they are fundraising raise over 74% more on average.

5. Say thanks

Post a thank you message to each of your donors and at the end, let them know what you achieved and how much fun you had.

Meet Scarlet

Hi, my name is Scarlet and I'm 8 years old.

Last year, I was diagnosed with a heart condition called anomalous pulmonary venal connection, which means that some blood that was meant for my lungs was going to my heart.

I had to get my heart fixed quickly so I went to Melbourne to have a big operation. It was scary, but the doctors and nurses did an amazing job.

Now I'm all better, I want to help other people who have sick hearts.

I love Jump Rope for Heart because I get to raise money to fight heart disease and have fun too. Last year I was the highest fundraiser at my school in Tasmania! Please join me. There's plenty of great prizes to be won, particularly if you choose to fundraise online.

Benefits of online fundraising

- It's fun, interactive and easy
- Extra prizes
- Automatic receipts
- Share with family and friends everywhere

Please note: Students will receive only the prize indicated for the fundraising level achieved. Prizes will not necessarily be the same as depicted and colours, designs and models supplied may vary to that shown. The Heart Foundation reserves the right to substitute a prize with a similar product should the prize initially offered no longer be available. Students that raise either \$100 or \$300 entirely online, will be entitled to receive the \$100 or \$300 online prize and the respective \$100 or \$300 general prizes. Prizes will be sent out at the commencement of Term 2, 2018.

Terms and conditions for participation in addition to those above: 1. Prizes cannot be redeemed for their cash value. 2. Prizes will normally be delivered to the participant's school for distribution. 3. The Heart Foundation relies on information provided by each participant and cannot be held responsible for any information provided incorrectly in relation to funds raised by a participant. 4. Participants must return the full amount of funds raised as detailed on the sponsorship form. 5. Heart Foundation Jump Rope for Heart concludes at the end of the 2018 school year. Funds and paperwork are required to be returned to the Heart Foundation by 18 February 2019. Heart Foundation cannot guarantee prizes will be provided to schools if funds and paperwork are received after this date. This form remains the property of the Heart Foundation and will be returned by the school to the Heart Foundation at the conclusion of the program. It may be used for future analysis and review purposes to help us improve the program.

SCHOOL PROGRAMS

Skating At Festival is a pop-up Ice Skating Rink set up in iconic and picturesque locations around Australia. This family friendly event is ideal for people of all ages and skill levels. Whether you are new to the ice or a pro, Skating At has something for everybody.

Escape the classroom and slip on some skates this Winter for an exciting new open-air activity! Perfect for all ages and abilities, ice skating allows children to step out of their comfort zone and builds a great sense of team-work and camaraderie with their peers.

Unique to Skating At, kids can share a 'Kanga' Skate Aid, an Australian first giving children of all ages and abilities a go at improving their stability and confidence. With the option to push or sit on the Kanga, kids can work in pairs to support each other on the ice.....and have a whole lotta fun!!!

Gliding into a city centre near you, don't miss out on this winter wonderland giving your students the chance to get active and enjoy an experience they'll never forget!
