Positive School Wide Behaviours (PSWB)

For the last year we have been using the PSWB framework to further develop processes and strategies for student wellbeing. Over this time we developed our first School Matrix, for Foundation to Year 6. This was launched in 2018. The Matrix is based on our four school Values of Respect, Integrity, Celebration and Honesty and details the specific behaviours and choices we want all of our children to have and use. This will provide a consistent approach across the school. Every family will receive a copy via Compass. I'd like to thank the Wellbeing team for their diligence and time in facilitating the review of the Matrix and staff for their input in developing the updated version. A copy of the Matrix is included in Today's Newsletter.

Staffing

We have a number of staff taking leave at the end of term 2 and during term 3.

JUMP ROPE FOR HEART

This year our school is participating in **Jump Rope for Heart** - a fantastic physical activity and fundraising program by the Heart Foundation that has been running for over 35 years.

Since **Jump Rope for Heart** started in 1983, schools like yours have raised more than \$104 million for the Heart Foundation's lifesaving work.

Jump Rope for Heart is a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

To make fundraising fun and easy, you can create your own secure webpage at jumprope.org.au

Sign up to share your child's progress and let the funds roll in. Your child can earn virtual badges along the way and your page will highlight the prizes up for grabs. **Our school will be holding an Open to all age group "Jump Off" on Wednesday 19th June at 1.30pm.**

Sign up here today: www.jumprope.org.au Thank you for supporting the Jump Rope for Heart program!
