Wellbeing Article

Bullying is when someone is trying to hurt or insult someone. But no matter what, it's never the person who's getting bullied fault. If you're big or small, have special needs, or just even if you're from a different country. It's not your fault for getting bullied! When you're getting bullied do the five finger rule ! 1. Ignore it 2. Walk away 3. Say "stop" 4. Say "STOP" even louder 5. Tell the teacher.
