Today we are saddened by the passing away of Brodie's Mum, Joanne Finch. As a close community in these difficult circumstances we trust that we will come together to look out for each other with respect for individual needs.

As we engage in support for our community, a decision was made to cancel assembly for today.

This afternoon there was Department of Education Staff available to help all parents and students. Please feel free to talk with our support staff. Counselling support will continue to be available to our community as needed. Please let our Office staff know if you need further support.

2019 PREP ENROLMENTS – FINAL CALL

We are now in the midst of planning our Prep Transition program and liaising with Kindergartens and Early Childhood Centres, as further planning unfolds for our 2019 prep cohort. At this stage we are planning for 2 Prep classes with a total of 40 children. If you know of any families in our zone who are yet to enrol their eligible prep child for 2019, could you please let them know that this needs to be done as soon as possible.

Children need to be enrolled by the Friday 14th September so

letters can be sent to parents with details of the "Leap Into Learning" program which begins in November.
