2018 Enrolments

Our 2018 planning documentation at this stage, indicates that we will have around 32 Year 6 students leaving the school at the end of the year and that we are expecting around 40 Foundation students next year. Without taking into account the students who may be leaving at other levels due to changes in family circumstances, you can see that our overall school enrolments will continue to climb towards just under 270 students.

To help fine tune our planning processes during the second half of this term, we would be very grateful if families could make contact with the school if they know that they won't be with us next year. We understand that sometimes families may not know the outcomes of house sales/job postings etc until much later in the year, but any information you can provide the school along the way on this matter is really helpful for our planning (particularly in light of our growing enrolments).

As always, if you would like to discuss this matter in person with Mandy Haddad, Paul King or myself, don't hesitate to drop by for a chat.

2017 NAPLAN Results

As a Professional Learning Community (PLC), our focus over the last several years has been to implement structures that continue to personalise and differentiate the learning for every single student at Tootgarook. As we begin our new Strategic Plan 2018 – 2021 next year, we will reflect heavily on all of our data sets so that we can continue to improve our program provision for all students.

We have been advised that schools will receive individual NAPLAN reports for all Year 3 and Year 5 s take home at some stage next week.

The Southern Peninsula Food For All Inc. is now in its 26th year of operation. They are currently packing and distributing in excess of 70 parcels each week to families in need as well as over 522 Christmas hampers in December. **To help support the program we will be holding a 'Kick in a can' day on Thursday 14th of September.** Students are invited to wear free dress and bring in a can of food to donate. **Suggested items include:** Long life milk, Canned Soup, Baked Beans, Spaghetti, Vegemite, Pasta Sauce, Canned Fruit, Tinned Vegetables, Beef and Vegetables, Tinned Creamed Rice, Pasta, Sweet biscuits

Gardening Club

We will be holding our first out of school **Gardening Bee on Saturday September 9th from 1-4pm**. We would like to have a meeting prior to this with parents who would like to be involved on **Tuesday 29th of August at 5pm in the school library**. There are a few things that need to be done prior to September 9th that require special skills in **building/plumbing**. If this is something you may be able to help with please get in touch or fill out the form below and return to school with your child as soon as possible. Thank you, Catherine Hone and the Garden Team
