Free Access to the 2020 'CIRCUS QUIRKUS' and 'WORLD FESTIVAL OF MAGIC' Shows.

COVID has changed everything for all of us. We are unable to do live events, but as the old saying goes, "the show must go on"...

The Rotary Club of Preston and Children First Foundation are again holding their annual 'CIRCUS QUIRKUS' and 'WORLD FESTIVAL OF MAGIC' Events, but this year with a difference... both shows will be streamed directly to the audience over the internet.

This year audience members can watch both 'Circus Quirkus' and 'World Festival of Magic' shows from their own COVID-safe bubble at home, or if they prefer (and if it's safe) gather with friends to watch them as a group.

The shows can be watched at any time during the three-day period available, and unlimited access means they can also watch it as many times as they like during that time. Or just play their favourite bits over and over again.

All that is needed to enjoy our shows this year is an internet connection and a device with a screen such as a PC, laptop, tablet or even a smartphone. We will provide you with a web address and a password for each of the shows.

If you would like to book your child/ren to participate in a amazing fun experience, please contact Sonia from Anglicare via email and or at the school.
